

The image shows a mobile app interface for M-Butler. At the top, there is a dark blue header with three icons: a bicycle labeled 'Bike', a scooter labeled 'Scooter', and a car with a checkmark labeled 'Car'. Below the header is a map showing a street grid with labels 'Indgoed', 'Van Alkemadeaan', 'Benoordenhout', and 'N44'. Below the map is a dark blue form with a white checkmark icon in the top right corner. The form contains the following fields and options:

- Pick-up point:** A text input field with the placeholder text 'Choose a pick-up point'.
- Drop-off point:** A text input field with the placeholder text 'Choose a drop-off point'.
- Drop-off point equals pick-up point:** A checkbox that is checked, followed by the text 'Drop-off point equals pick-up point'.
- Pick-up date:** A text input field with the value '30 jan | 12:00'.
- Return date:** A text input field with the value '01 feb | 12:00'.

At the bottom of the app is a dark blue navigation bar with four icons and labels: a person icon labeled 'Rides', a car icon labeled 'Rentals', a person icon labeled 'Account', and a three-dot icon labeled 'Menu'.
